

Wiesenglück

For the first time, Wiesenglück* presents a new lifestyle product: a shoulder bag with an integrated blanket e.g. made of artificial turf that can be used at every place as a private lawn.

The bag's special feature: by means of zippers on all four sides of the bag you can connect your own blanket in the meadow the luck lies with the blanket of your neighbour. Maybe already next summer there will be the world's largest lawn! In any case, the Wiesenglück* bag makes sure a lot of new contacts!
